

# WASHINGTON INTERNATIONAL TRADE ASSOCIATION

## WITA EXECUTIVE LEVEL SPONSORSHIP INFORMATION AND INVOICE

Thank you for your interest in an Executive Level Membership in WITA. This group membership level entitles your organization to **5 free passes** at WITA policy or professional development events throughout the year for **any designated employee or guest**. Subsequent events may be attended by any designated employee at the member rate. Executive membership extends to everyone you designate within your organization, allows extra flexibility in terms of attendance for WITA events, and saves valuable time (no more tracking individual memberships!) Group memberships are designated as Small (1-9 Members) or Large (10+ Members) and are renewed annually from the anniversary date

As you may know, WITA is a non-profit, non-partisan organization that promotes the open and robust discussion of trade issues in the nation's capitol through an extensive series of programs and special events. Our steadily growing membership includes a unique balance of trade professionals from business, law, government, embassies, academia, NGO's, and others interested in international trade.

**WITA membership is more than just discounts and free passes to WITA events**—it's publicizing and publishing your work on the WITA website; it's engaging in an informed trade dialogue; it's hearing the scoop from insiders at all levels and all sectors; it's the excitement of the Annual Dinner; it's advancing your employees' careers and your organization's prestige by connecting you to DC's trade community!

Please don't hesitate to contact us if you have further questions. Once again, thank you for your support of WITA: Washington's Premier Trade Network. We look forward to working with you at the corporate level, and to hosting you at future WITA events!

**THANK YOU FOR YOUR SUPPORT OF WITA:** Washington's Premier Trade Network!

Best regards,

James Wilkinson  
Executive Director
